Miss MELISSA HANNA

Hello, my name is Melissa and I am running for the open councillor seat on the Student Council.

As a fresh face at UUB I am delighted to be a candidate in the election for student council.

I am currently in my first year of studying International Hospitality Management, hospitality being a field of work I want to peruse due to my love of working with people – something that would help me greatly if elected.

If elected, I plan to work hard to ensure that your time at UUB is the best it can be and I would love to do so by speaking on behalf of all those attending UUB, bringing forward any ideas or concerns that any one studying here would have, using experience I have learnt by being on a student council for two years prior to attending University of Ulster.

If you like what you have heard so far please vote for me on election day!

Mr JORDAN MAXWELL

Be The Change You Wish To See

I aim to serve and be a voice for the students of the Ulster University, Belfast Campus.

I am in my final year within the Interior Design department at UUB. I have a strong passion from Sustainable Design and Architecture and it's implementation in Urban Spaces and Architecture.

In my second year I served as Course Representative and undertook numerous meetings on behalf of the course, meetings involved meeting with Belfast Provost regarding campus signage and the opening of Unique on the ground floor within in Belfast Campus and Executive Dean of Faculty regarding the universities five and fifty strategic plan.
