- Want change?
- Want your views represented?
- Want someone who will do their best

My name is Jamie Waring, currently studying the MSc in Sport & Exercise Psychology at Jordanstown. During my undergraduate degree I became heavily involved within the Student's Union. This included these roles;

- Course Rep for two constructive years
- Treasurer of the Psychology Society
- Fundraising Director for QUB Unicef on Campus which my friends and I founded
- Treasurer and Events Co-Ordinator for the Institute of Directors at Queens
- NIBPS QUB representative

I want to translate the skills, knowledge and beliefs to this Student's Union and part of why my undergraduate experience was great is attributed to my involvement in the Student's Union. I am running for this position to provide a voice for postgraduate students who can often feel

neglected or not as involved in the University. Each student should have an unforgettable experience during their time at Ulster, collectively we have the potential and drive to shape the university in our direction, underpinned by our views and provide the best experience together. Please vote Jamie Waring number 1 on October 12<sup>th</sup> & 13<sup>th</sup>.
