## Hi Everyone,

Welcome back! The Students Union officers here at Magee hope everyone had a wonderful Christmas and New Year break and that you are all raring to go again with more study, socialising and loads of fun events in store for Semester two.

The Students' Union would like to take this opportunity to welcome the new international students that have joined us here at University of Ulster, Magee. We trust that you will enjoy your time here, as you widen your education and build new, lifelong friendships.

We hope that all of your exams, coursework and practical's went well for you over the last few weeks. Exam Time is a stressful time for students and officers were on hand with fresh fruit, water, pens and stress booklets to ease the pressure.

The Students Union team have worked really hard over the last few weeks to ensure there is a jam packed Semester a head of us. With Student Shout campaigns, RAG (Raise and Give) week, St. Patricks Day and Elections to name but a few... it's all go!!!

As part of our services we are here to help make your University experience the best! We feel this can happen if you get involved with Clubs and Societies. This is a great way to meet new friends, join a society that you are interested in or play a sport you always wanted to learn. Contact the Site Vice President if you are interested in joining a society or want to set up a new society.

If you stumble upon any problems with regards housing, illness, or class related issues please do not hesitate to contact the Education and Welfare officer here on campus. We are here to help.  
Your Union, Your Voice.

## Campaigns to look out for in the next few weeks.

### Week one: Eating Disorder Awareness

We have eating disorder therapists from the Western Trust coming on campus to speak to students and hand out information with regards to this increasing illness. Fresh fruit will be available in the Students Union foyer.

### Week two: Environment Awareness

This campaign will heighten the awareness of implementing a Carbon Monoxide alarm within your student house. Also ways to save our environment when travelling to work.

### Week three: Raise and Give (RAG week)

This is one of the biggest weeks in the student diary. It consists of a busy week of taking part in activities to raise funds for local charities, which are decided upon by students.

Keep an eye out on posters, on our website and on facebook for all of the activities that will be taking place.

### 'Make your Voice Heard'

This is an opportunity for you to let the Students' Union officers know if there is anything you would like to see changed or would like improved in YOUR University and Students Union. If not this is also an opportunity for you to let us know what we are doing well. We have had many great wins for the students in semester one, so take this chance to have your say every Tuesday and Thursday in Semester Two.

### Week one topics for Student Shout :

- Do you recognise your SU officers and what services they provide?
- Are you a mature student? Are you aware of what services the SU can provide you with? Is there anything you would like to see changed within the SU?

### Week two topics :

- Are you a parent/single parent studying here at Magee? Are you aware of what services the SU can provide you with? Is there anything you would like to see changed with in the SU?
- How do you commute to and from University? Are you aware of the different options to save the environment?

To see how we deal with these issues that we receive; the outcomes of these campaigns will be made known to you via the Students Union notice boards in the SU foyer as well as on our

**Website:** [www.uusu.org](http://www.uusu.org) and **Facebook:** Vp Magee Ciara McCann.
