Message from the CEO

I am delighted that those reading this guide are considering putting themselves forward for an elected role within UUSU. There are far reaching and immense benefits from holding such a role and the opportunity to shape the experience that the student body has whilst at Ulster is both rewarding and unique. An elected position brings huge responsibility as it is your peers that have put their trust in you to deliver on their behalf. During my time here at UUSU, I have seen so many of our members step up and deliver so many positive benefits to the wider student body. As a small team our elected officials and staff work together closely and as such, I wanted to use this opportunity to provide a little more detail on the wider workings of the organisation.

[READ FULL STATEMENT FROM CEO](#)

UUSU is one of the largest membership organisations in Northern Ireland supporting around 26,000 student members. Operating as a charity, UUSU represents, supports, and connects its members through a range of services, activities, and pledges, and is the voice of the students at Ulster University. We were formed in 1984 as a semi-autonomous part of Ulster University to work on behalf of the students attending the University. Over the years our representation and services have grown significantly with a range of services for members including academic representation, welfare advice, volunteering opportunities and enhancement of the student experience through events, activities and change programmes.

Thanks for reading

Section Two

WHAT'S NEXT

Decide on the role that is right for you!

We always encourage you to read the detailed role descriptions which can be found at the end of this document in Appendix One to give yourself a better idea of the specific nature of each role, who you will be representing and what is required should you be elected. Remember you can nominate for only one of the full time officer positions. If there's anything you need a little more information on reach out to the UUSU student voice team who will be there to help answer any questions.

Eligibility

The four cross campus student officer positions (President; VP Education; VP Equality & Belong & VP Sport & Wellbeing) are open to all current UU students studying during this academic year (25/26), based across any of the three home NI campuses or online. For the three campus based roles you can nominate only for your home campus VP position. For example if you are a Coleraine student you can nominate for any of the overall roles or for VP Coleraine.

As student officers roles are paid, full time positions its expected that you will have completed your programme of study this academic year or will be taking a sabbatical from your course to complete your year as a full time UUSU officer.

Information for International Students

UUSU very much welcomes nominations from across our many international student communities. If you are interested in any of the full time officer positions please check with your course director and the University compliance team to ensure you will still meet any visa or statutory requirements. Campaigning

YOUR ELECTION MATERIAL

Candidates will be given the opportunity to promote themselves with a range of both material provided by UUSU and your own campaign materials, designed by you. This is your chance to shine and sell yourself, and we encourage you to get creative! While staying within the rules of course.

We encourage you to engage digitally with the electorate via the likes of social media once campaigning begins as well as engage through traditional face to face methods and using printed materials. For this purpose we will provide each candidate with the following:

All you need to do is design your material! We recommend using the likes of Canva or other free tools to design your material. Make sure you stick to the correct sizes!

Print materials	Overall Position	Campus VP
A3 Colour (Large Poster) (Single Sided)	100	50
A5 Colour (Double Sided Leaflet)	400	200

BRIEFINGS

At the candidate briefings, our election staff will brief you about the rules for the election, which are provided in the accompanying [document](#).

We want all candidates to have an enjoyable experience contesting the election, taking into consideration that people will disagree, but should not engage in personal attacks.

We monitor social media and campaign materials to ensure the integrity of the election and the conduct of candidates, and we will ask you to sign the election rules – and to be responsible in ensuring that anyone helping you during the campaign adheres to them also.

We take very seriously any breaches of the election rules and the Returning Officer can and will impose sanctions on your campaign should these rules be broken.

The briefings give you an opportunity to ask any questions you may have before the polls open and to get clarification about how we address problems. All candidates are required to attend the briefings.

CANDIDATE QUESTION TIME

Candidates Question Time is the opportunity for voters to meet you and to ask questions about a range of issues relevant to the role you are running for. We will advertise the Candidates Question Time across our digital media platforms and website and invite as many students as possible.

Candidates Question Time is not an opportunity for personal questions or attacks, remember this is a UUSU Leadership Election, not the US Presidency. We will ask students to send questions to us before the event online, and no unprompted questions can be tabled at the event. This is to ensure fairness for candidates and to avoid any disruptive behaviour – remember, both you and your team or anyone associated with your campaign are bound by the election rules.

Section Three

VOTE DAYS

All votes are cast online. We will have our website clearly demonstrating where and how to vote for polling days and students will be required to log in to vote – again using their UU credentials.

UUSU will monitor polling trends and can identify abnormal voting through single devices. Please make sure you and your campaign team are aware of the rules governing this election and in canvassing for votes.

Periodically we will update a page on our website showing in real-time the number of votes cast for each role and the profile of voters – for example how many from each faculty have voted etc.

It is unlikely that anyone logging in will have any problems casting a vote, but you should feel free to contact Mark with the B number of the student having difficulties or ask them to contact elections@uusuu.org themselves and we will work to resolve as quickly as possible.

AFTER THE ELECTION

When the polls close, only one member of staff in the Union can access the results via software provided by our IT service. That member of staff will conduct the counting of votes electronically and note transfers and exclusions.

Our Marketing team will be sent the results of each contest and provide relevant graphics in an election result event held on the same night. We can provide full count sheets to candidates following the event if they request them.

The results will be made public only at that event held online and then published on uusuu.org and across our social media alongside graphics declaring the winners in each contest.

SUPPORT AVAILABLE

We understand that putting yourself forward for a contest can be challenging especially if this is your first time stepping into an election. Remember UUSU staff are available throughout the election process to help answer questions and signpost to support should you feel you need it.

We are available through the election process to signpost you to support should you feel you need it. We are available also for advice on processes, rules and ideas – for obvious reasons we will not engage in any campaign-specific conversations out of these circumstances and are totally independent.
