CAITLIN-ROSE LOWRY

for VP Equality and Belonging!

Creating a university where we all belong

OBJECTIVES

I am dedicated to fostering a university environment where every student, regardless of background, identity, or ability, feels seen, valued, and empowered. Together, we can create an inclusive Ulster University that celebrates diversity, champions equality, and ensures everyone belongs.

WHY VOTE ME?

- Previously volunteered with UUSU as Chair of Student Council and Dept Rep
- Passionate about listening, learning and acting with purpose
- Aiming to create a university that truly represents and uplifts all students

WHAT ARE SOME OF MY AIMS?

1. **Improving UUSU Networks**
Establishing social media accounts for all the UUSU Networks to increase awareness. Working alongside these networks to host events such as trips to local landmarks throughout the year.

2. **Night Life Safety**
Lobbying for night life safety for all students and continuing to lobby government for anti-spiking legislation so all students have an enjoyable and safe night out.

3. **Advocating for a sense of belonging**
Creating more cross-campus events to encourage students to collaborate on shared issues. Promoting and encouraging more cultural events across UU to celebrate our diverse student body.

4. **Improving Accessibility**
Working with several networks to ensure all students have no barriers to their education by advocating for creche facilities for student parents and continuing to lobby for language translations on all university platforms.

5. **Advocating for GP's**
Continuing the work of previous student officers to advocate for GP's on each campus, especially for international students.
