@@favourbelfast | #VOTEFAO

KEY PRIORITIES

1 Student Wellbeing & Support

I'll expand safe spaces like Brew Mondays and Coffee Mornings, improve mental health resources, and ensure no student faces food insecurity through an enhanced pantry plan.

2 Safety & Security on Campus

I'll advocate for better lighting, access control, and safer spaces, strengthen anti-harassment policies, and work with SWANN to improve campus safety and accessibility.

3 Student Housing & Renters' Rights

I'll provide more resources for student renters, reduce reliance on expensive housing agents, and update renters' rights booklets to help students navigate tenancy agreements.

4 A More Inclusive & Engaged Student Community

I'll provide more resources for student renters, reduce reliance on expensive housing agents, and update renters' rights booklets to help students navigate tenancy agreements.

5 Sustainability & Green Campus Initiatives

I'll lead Green Week, push for waste reduction and recycling programs, and organize environmental education trips to raise sustainability awareness.

MY MANIFESTO

“Committed
to Progress,
Dedicated
to You!”

As your current Vice President, Amensinor Favour Okpohs, I have worked tirelessly to make our university a safer, more inclusive, and engaging space for all students. [IG | @favourbelfast](#)

From advocating for student renters' rights to enhancing campus accessibility and fostering sustainability initiatives, I have delivered real results. But there is still more to do!

I am running for re-election to continue the progress we've made together and ensure every student benefits from a strong, supportive, and student-driven Union.

My Priorities for the Next Term

• Student Wellbeing & Support

- Expand initiatives like Brew Mondays & Coffee Mornings to provide safe spaces for student conversations.
- Enhance mental health and welfare resources, making them more accessible and responsive to student needs.
- Further develop the pantry plan, ensuring no student struggles with food insecurity.

• Safety & Security on Campus

- Push for more security measures, including better lighting, access control in lifts, and safe student spaces.
- Strengthen anti-harassment policies and work with relevant groups to eliminate violence against women and girls.
- Continue collaborating with Students with Additional Needs (SWANN) to make campus safer and more accessible.

• Student Housing & Renters' Rights

- Expand student renters' rights advocacy, providing more resources and guidance on student housing.
- Work with the Union to reduce reliance on

expensive housing agents and create alternative options for students.

- Update and distribute renters' rights booklets with essential information on student tenancy.
- **A More Inclusive & Engaged Student Community**
 - Strengthen support for Women's Empowerment Network (WEN) and diversity-driven student societies.
 - Amplify voices through more student-led forums and open communication channels with Union representatives.
 - Promote anti-racism, equality, and LGBTQ+  inclusivity initiatives on campus.

• Sustainability & Green Campus Initiatives

- Continue leading Green Week and promoting sustainability awareness among students.
- Push for waste reduction programs and campus-wide recycling initiatives.
- Organize more environmental education trips like the River Ridge Visit to raise awareness about waste management.

Why Re-Elect Me?

- Proven track record of delivering real change for students.
- Committed, experienced, and passionate about student welfare.
- A strong voice that listens, advocates, and takes action.
