

LEE DORAN

For VP MAGEE

About Me

I am a final-year Business and Computing student who has spent the last three years living, working, and studying in Derry. Between Duncreggan Student Village and Argyle Street, I've seen it all! From struggling to find a parking spot to dealing with timetable clashes, I haven't just heard about these issues I've lived them. The same problems I faced in first year are still affecting students today, and that needs to change.

Throughout my time at here, I've always looked for ways to give back serving as: Course Rep, Soccer Committee Member, Student League Coordinator or student councillor- I want what is best for students and want them to enjoy our nice community here at Magee.

Key Aims

- **General Accessibility addressed- Timetables, 24/7 Access to buildings**
- **Magee Taskforce representation**
- **Promotion of Irish Language**
- **Nightlife Safety and Quality improvements**
