Education Empowers Everyone

Hi! My name is Rebekah, and I'm currently doing my History MA. Throughout my time at Ulster I've been Course Rep, School Rep, and Faculty Rep, and I feel confident that I can defend your opinions as Vice President for Education.

MY AIMS:

- **Promote Mental Health support for all students.**
- **Improve student engagement with Employability and Careers Services.**
- **Protect 'KWAF' (Keep Wednesday Afternoons Free).**
- **Improve cross-campus communication.**
- **Encourage education outside of the degree.**

Full manifesto: uusuu.org

My time at Ulster has been empowering, and I want you to feel empowered, too. I believe I can make a difference, please let me represent you.
